

Privacy Policy Statement

REDFYNN

1. Collection of Information

Depending on what you do when visiting any website, you provide information about your visit to the site's owners. Your visit to RedFynn's website may provide us with certain statistical information collected on an aggregate basis as you browse the site. We use the information to improve the usefulness and quality of the site and to respond to our visitors' requests for information or other services. Except as specifically noted below; personal information is not used for any other purpose, and it is not sold or distributed to any third-party.

As you browse RedFynn's website, we are able to collect information on the domain from which you contacted us, but not usually personal individual information such as your e-mail address, unless provided by you in the Contact Us/Request a Quote/Career pages. We also capture information to help us track, among other things, the number of visits to our site, the number of return visits, which pages on the site are visited most often, where visitors were before they linked to our site, and the number of visitors who leave our site via a link to another site. These statistics are collected through web server logs, cookies, and Google Analytics© allowing us to trace the paths followed by visitors to our site as they move from one page to another. Cookies do not capture your individual e-mail address or any private information about you.

2. Collection of Personal Information

We do not collect personal information from you unless you provide it to us in connection with your application/inquiry for products and services offered by RedFynn. The information provided to us is used only for the purpose of considering, approving, and setting up your account for the product(s) or service(s) requested. RedFynn has multiple partnerships through which we are able to provide products and services of interest to you. We will share your contact information with those third-parties, but only in an effort to provide you with services requested or related to your current services with RedFynn. Those service providers are bound to respect the provisions of this policy. By providing us with the information, you consent to our use of the information to process your application(s) for the products and services you have requested.

When you send us an e-mail to comment on our products or services or to ask a question, we learn your exact e-mail address and any personal information about you which you elect to provide in the e-mail. The information is used only to respond to your communication, but will be stored, along with our reply, in case further communication is necessary or appropriate. Your e-mail address will not be used to send you unsolicited messages or information about RedFynn, nor will it be sold to anyone else for such use. If your e-mail requested information or other services offered through our site, your e-mail address will be used to provide the requested information or service until it is no longer available or until you affirmatively ask us to stop providing the product or service. We may use your email address to send you information related to the information or service you have requested or we have provided to you, including information on similar products or services.

3. Children

RedFynn does not solicit data from children and does not market to children.

4. Linking to other sites

Remember, when you link to another site from RedFynn.com, we do not control the site and our Privacy Statement does apply to the linked site. Your use of other sites is subject to that site's own Rules of Use and Privacy Statement and you should review them before browsing the site.
